Worship

Afterwards, parents are welcome to
explore learning with their children.

Tuesday 11th November

10.55am Remembrance

at the war memorial, followed by a
presentation in school.

REMINDER

Please do not drive into or
park in the staff car park to
drop off children or pick
them up. We need to keep
all our children and
families safe.

Dear parents and carers,

Thank you to those of you who joined us last
Friday afternoon and saw the Bibles being given to
our Y3 and a couple more children. We hope they
will be well used as they journey through life.

We're already getting a number of requests for
school tours on our Open Morning. If you know
any families who wish to join us, do let them
know. It doesn't have to be on that particular
morning – we can accommodate at other times
too!

Have good weekend.

Kind regards,

Raffaella

PEMBROCK CE PRIMARY SCHOOL & NURSERY

Inspiring Learning through Faith and Values

Pembroke is a school where our creative teaching and learning is of the highest
quality and where we encourage everyone to be inspired through faith in God and to
live by Christian values so that our whole community flourishes and we reflect all that is 'worthy of praise'.

OPEN MORNING

Wednesday 12th November 2025 • 9-12

"Pupils flourish at Pembroke" Ofsted 2025

to view our school and speak to our staff and children

Please ring for details: 01544 388366

Read our newsletters and view our prospectus on

www.pembrokeprimary.org.uk

Bearwood Lane, Pembroke, Leominster HR6 9EA

THE VALUE THIS MONTH IS STEWARDSHIP

As we enter a time of harvest
thanksgiving, we remember
our own responsibilities for
living in God's creation.

Monster Phonics Support for Parents

If you are unsure of how to
sound out the letters and
groups of letters we read,
please do click on the link in
the title above

'The God who gives you peace
will be with you.'

Phil 4:9

As high as the tree
soaring above the forest.
As beautiful as the river
flowing through many lands.
As rich as the eco-systems
of an abundant earth.
As close as the smallest creature
on the ground.
So good is the God of all creation
Blessed be God forever!

Dates for your diaries:

Wednesday 12th November

Open Morning for new families

After-School Club:

3.15-5pm (Mon-Thu), 3.15-4.30 (Fri)

£7 a session

BOOKING IS ESSENTIAL and a week in advance please.

OUR VISION

Pembridge is a school where our creative teaching and learning is of the highest quality and where we encourage everyone to be inspired through faith in God and to live by Christian values so that our whole community flourishes and we reflect all that is 'worthy of praise'.

We encourage you to share our learning at home.

	This week we have been learning about...	...and what to look forward to.
Nursery	This week we have been busy creating many star crafts whilst thinking about what we can already do and what wishes we have for the future. The story 'Little Bears Special Wish' by Gillian Lobel has been enjoyed by the children and each time we have read it children have had lots of questions and thoughts to share. Super learning Nursery!	Next week, we will be learning the rhyme 'Once I caught a fish alive'. We also look forward to exploring repeated patterns in maths, where will shall we looking for patterns around school. If you wish to have a look around your homes or when out and about for any patterns you may see, feel free to add them to seesaw for us to share in class.
Class 1 (Reception and Year 1)	This week class 1 have been finding out about our sense of smell. In forest school, we ground up lots of herbs and thought about what the smells reminded us of. We had a great time! 	Next week, we will continue to look at the creation poem in RE. We will be trying different types of fruit and vegetables and thinking about how we can say thank you for the food that we eat.
CLASS 1 & NURSERY PARENTS – As per NHS guidelines: Children under the age of 5 should not be given popcorn because it is a choking hazard. The hard, sharp edges and 'unpopped' kernels of popcorn can easily get stuck in a young child's airway and block it.		
Class 2 (Year 2 and Year 3)	This week in Class 2, we have finished our first Maths unit of place value and have now moved onto adding and subtracting. We will be using concrete resources such as 100 squares, dienes and number lines to help us!	Next week, we will be looking at different types of Roman houses and comparing these to the ones the Celts would have lived in.
Class 3 (Year 4, Year 5 and Year 6)	This week, in English we have been focusing on characters and writing dialogue. Oral work has helped to generate ideas. In addition, we have been trying to be really accurate when punctuating speech. In science, we have been looking at the motion of the planets – most particularly of the Earth.	We will be trying to write some longer chunks of narrative based on our book. We will work from some evidence collected last week about shadows, to consolidate our learning about the rotation of the Earth.

If any parents can spare 15 minutes (at the beginning or end of the day) to listen to children read we would really appreciate it. Please contact the school office.

PLEASE REMEMBER

- ALL CLOTHING must be labelled with your child's name – it makes such a difference!
- For safety's sake, jewellery (necklaces, bracelets etc) should not be worn to school. Stud earrings must be removed by the child for PE or not worn on days when it is PE.
- Class teachers may not regularly look at their emails during the day. To pass on urgent information, please email the school office where it can be passed on more efficiently.
- Please let Mrs Targett know if your child is NOT attending their usual club so that we are fully aware.
- Don't forget your child needs a coat for damp weather or a sunhat for when the sun shines!
- Grapes and cherry tomatoes need to be cut in half lengthways, to avoid choking hazards.
- We are a NO NUT school – please check ingredients in packed lunches.

CONGRATULATIONS

We enjoy hearing about achievements awarded outside school – do share them with us.

We will include names here of children here who have been awarded certificates in their classes.

Gold certificates: Nancy- for listening well in phonics Emma – for using excellent adjectives to describe the smell of herbs. Arthur – for excellent focus when using verbs in his writing. Eddie M – working hard like a superstar. Jack – for always giving 100% effort in every lesson. Freddie – for so many brilliant responses and ideas in lessons. Alfie – for good thinking and effort in writing. Denholm – for always giving his best effort in presenting work.
