REMINDER

Please do not drive into or park
in the staff car park to drop off
children or pick them up. We
need to keep all our children
and families safe.

Dear parents and carers,

Today we have brought the children together for
an enrichment day in celebration of harvest. We
looked at the story of the five loaves and two fish,
remembering God's miracle, our trust in Him to
provide, the generosity of the young boy to share
his lunch and the power of God to bless what we
have for good. Please join us next Friday afternoon
in school at 2pm for our Harvest Festival service.

Today we've linked this biblical story with being
good stewards of God's earth. We'd like to
acknowledge the good work of our local
community stewards in the form of Pride in
Pembroke. If every family could bring a small
donation, this would help keep our beautiful village
looking wonderful for us and those who visit or
pass through.

Kind regards,

Raffaella

THE VALUE THIS MONTH IS STEWARDSHIP

We do not inherit
the earth from
our ancestors,
we borrow it
from our children.

- NATIVE AMERICAN PROVERB

Don't forget to reuse and
recycle something to bring in
for our values display table.

School Council News

This week the new school council
voted Eva as chair, Lotte as vice-chair
and Henry and Penny as secretaries.
They say, 'we also welcome Fleur,
Denholm, Iustin, Ellie, Vivienne,
Rosalie and Francis. We believe that
working together makes the school a
better place.'

'The God who gives you peace
will be with you.'

Phil 4:9

Grant us the courage to walk beside
all those who struggle to protect
this fragile home.

May we become true guardians of
your creation, sowing seeds of
beauty, not pollution, and acting as
brothers and sisters to all that
exists, for in your love, all creatures
are held tenderly. Amen

OUR VISION

Pembridge is a school where our creative teaching and learning is of the highest quality and where we encourage everyone to be inspired through faith in God and to live by Christian values so that our whole community flourishes and we reflect all that is 'worthy of praise'.

We encourage you to share our learning at home.

	This week we have been learning about...	...and what to look forward to.
Nursery	We have read the story 'Rainbow fish'. The story has helped us to think about using kind words and sharing which we do fantastically here at Pembridge. The children know the rhyme 'Once I caught a fish alive' brilliantly. We have continued to think about fish in maths, as we have explored repeated patterns when we played our matching game.	Next week, our rhyme is 'If you're happy and you know it.' We look forward to thinking about our interests and what makes us happy. We will continue to discover repeated patterns and enjoy using paint to create our own patterns.
Class 1 (Reception and Year 1)	This week in art we have been creating self-portraits. We are very proud of our work! 	Next week we will be moving on to look at the fairy tale Little Red Riding Hood. In maths Y1 will start to look at whole part models and reception will continue to focus on subitising.
CLASS 1 & NURSERY PARENTS – As per NHS guidelines: Children under the age of 5 should not be given popcorn because it is a choking hazard. The hard, sharp edges and 'unpopped' kernels of popcorn can easily get stuck in a young child's airway and block it.		
Class 2 (Year 2 and Year 3)	This week, we thoroughly enjoyed looking at Bryn's photos of his trip to Castell Henllys Iron Age Village which had recreated some Roundhouses. These are nearly identical to the ones that the Celts would have used and Bryn was able to share his knowledge and experience of these types of dwellings.	Next week, we will be starting to practise for our Class Worship which is on Wednesday 22 nd October at 9am. We are looking forward to welcoming family members and hope that lots of you are able to 'stay and play' afterwards. In keeping with our Roman theme, we will be making some Roman-inspired mosaics out of squares of paper. In the meantime, please encourage children to practise their lines at home so they are able to speak loudly and clearly.
Class 3 (Year 4, Year 5 and Year 6)	In art this week, we have enjoyed starting our Islamic designs. 	Next week, the Year 5 and 6 girls will be participating in the Selina Cup (football tournament). Good luck girls! In geography we will be exploring the positive and negative aspects to living in mountain areas.

PLEASE REMEMBER

- ALL CLOTHING must be labelled with your child's name – it makes such a difference!
- For safety's sake, jewellery (necklaces, bracelets etc) should not be worn to school. Stud earrings must be removed by the child for PE or not worn on days when it is PE.
- Class teachers may not regularly look at their emails during the day. To pass on urgent information, please email the school office where it can be passed on more efficiently.
- Please let Mrs Targett know if your child is NOT attending their usual club so that we are fully aware.
- Don't forget your child needs a coat for damp weather or a sunhat for when the sun shines!
- Grapes and cherry tomatoes need to be cut in half lengthways, to avoid choking hazards.
- We are a NO NUT school – please check ingredients in packed lunches.

CONGRATULATIONS

We enjoy hearing about achievements awarded outside school – do share them with us.

We will include names here of children here who have been awarded certificates in their classes.

Gold certificates Harry- for super letter formation of your name, Ethan – for being an excellent role-model, Ellie Pa – for good recall of Geography facts. Henry T for always listening in all lessons. Poppy – for always being thoughtful and understanding. Theo – for your story board in PSHE. Penny – for engagement in all lessons.
