

Ad Lucem

To the Light: News from Pembroke CE Primary School

Friday 19th December 2025

All the staff in school thank you for your cards and kind gifts. It has been a busy few weeks and we are all looking forward to time away from school to recharge our batteries – though Christmas doesn't always enable that!

Thank you to the Friends of Pembroke School (FOPS) who have continued to support the school and children in the many events and fund-raising opportunities that they have organised this term. Thank you to you for donating in so many different ways.

Finally, we know a certain gentleman is very busy at this time of year, but always manages to spare us an hour to meet the children – what would we do without you?

**Happy Christmas
and a wonder-filled
New Year!**
