Monday 23rd March

Reports out.

Easter Enrichment

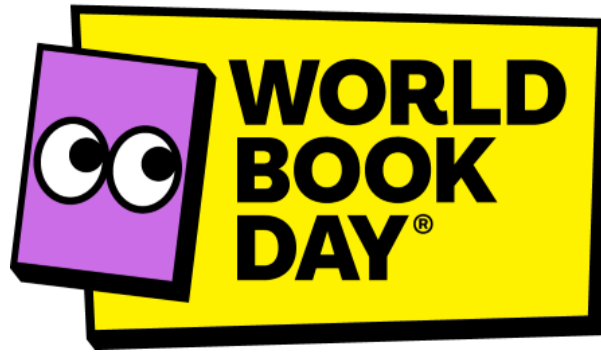

Wednesday 25th March

Parent consultations

Friday 27th March

End of term service, St Mary's
Church, 1.30pm

CELEBRATING WITH

Dear parents and carers,

What a splendid array of costumes and characters we had this week! Thank you for taking the time and effort to support your child with their costume and book. Class 2 shared the importance of opening our imagination with books (and chocolate) during worship on Wednesday, followed by 'Toast and Tales' with children mixing up, eating toast and reading. A big thank you to Morrisons for the donation of bread, butter and jams as well as nine brand new books. Have a good weekend!

Raffaella

Kind regards,

THE VALUE THIS MONTH IS PEACE

"I have told you these things, so
that in me you may have peace.
In this world you will have
trouble. But take heart! I have
overcome the world."

John 16:33

As we continue our journey
through Lent, we are reminded
that our new value this month is
given through Christ's death and
resurrection. The new Family
Values Newsletter is out today.

Toys

We kindly ask that all children do
not bring toys to school. Our
classrooms have limited space, and
personal toys can easily become
lost or broken, which often leads
to unnecessary upset. Thank you
for your support.

'The God who gives you peace
will be with you.'

Philippians 4:9

O God, Lord God Almighty, shaper
and ruler of all creatures,
we pray for your great mercy: guide
us towards you, for we cannot find
our own way.

Teach us to do your will, and to love
you above all else. For you are our
maker and our redeemer, our help,
our comfort, our trust, our hope.

Amen.

Dates for your diaries continued:

Monday 13th April
INSET Day
Tuesday 14th April
Summer Term begins
Wednesday 22nd April
No wrap around care – Staff training
Monday 11th May
Year 6 SATS week

8am-8.45am (daily) £3 a session
After-School Club:
3.15-5pm (Mon-Thu), 3.15-4.30 (Fri)
£7 a session
BOOKING IS ESSENTIAL and a week in advance please.

OUR VISION

Pembridge is a school where our creative teaching and learning is of the highest quality and where we encourage everyone to be inspired through faith in God and to live by Christian values so that our whole community flourishes and we reflect all that is 'worthy of praise'.

We encourage you to share our learning at home.

	This week we have been learning about...	...and what to look forward to.
Nursery	The rhyme 'Three Blind Mice', has helped us to be thankful for having our sense of sight. We have discovered that even with sight loss books can still be enjoyed by using braille. The children created their names using lentils to represent the braille. We have enjoyed watching this about 'The secret Code' (Braille) Lora Fachie - The Secret Code - CBeebies World Book Day was thoroughly enjoyed with the School. We visit our School Library often to find lots of new and exciting stories to share.	Next week we will be learning the rhyme 'One finger, one thumb keep moving'. Thank you for the photos on Seesaw of the numbers 1, 2 and 3. If you still wish to share please do so. We will be reading Goldilocks and the three Bears to help us with exploring the numbers 1, 2 and 3. If you have any versions of the story at home we can borrow please name and send with your child. Our Class Worship is on Friday 13th March at 9am and we welcome you to stay and play afterwards.
Class 1 (Reception and Year 1)	This week, class 1 and nursery went on a Spring hunt during our forest school session. We went to the Church and spotted lots of signs that Spring is on its way! We had a list of items to spot and we found them all - even a Bumble bee! 	We'd appreciate any donations of wool and scraps of material in hot colours (yellow orange red) please. The material can be patterned. Remember that we have our class trip on Wednesday 11th!
Class 2 (Year 2 and Year 3)	This week, in English we have been reading about 'The Great Kapock Tree' and imagining how animals are coping with deforestation, which links to our geography topic about rainforests. We thoroughly enjoyed sharing our class worship with everyone on Wednesday.	Next week, class 2 will look forward to getting started on their design and technology project – making sock teddy bears! Some of class 2 are also looking forward to entering in the cross-country race at Lucton School!
Class 3 (Year 4, Year 5 and Year 6)	This week, the children have all been working toward report writing about Sutton Hoo by writing descriptions of the treasures – including extended ones – and focusing on introductory paragraphs. In science, they have continued their explorations of the states of matter by looking at those states in water paying particular attention to the processes of evaporation and condensation.	Next week, the children will be collating the information gathered on their Hereford trip as well as aiming to complete their report writing. In science, they will be starting to look at the separation of materials. With limited time in school, it is really important that children are learning their lines at home for their worship.

PLEASE REMEMBER

- For safety's sake, jewellery (necklaces, bracelets etc) should not be worn to school. Stud earrings must be removed by the child for PE or not worn on days when it is PE.
- Don't forget your child needs a coat for damp weather or a sunhat for when the sun shines!
- Grapes and cherry tomatoes need to be cut in half lengthways, to avoid choking hazards.
- No popcorn for young children for similar reasons
- We are a NO NUT school – please check ingredients in packed lunches.

CONGRATULATIONS

We enjoy hearing about achievements awarded outside school – do share them with us.
We will include names here of children here who have been awarded certificates in their classes.

Gold certificates: Caspar, Ellie Pa, Sawyer, Robyn, Jack, Henry
Learning Ambassador: Phoebe
Courtesy Cup: Elliarna

Part of the
National Year of Reading 2026

Reading Builds Confidence

Each successful reading experience helps children believe in themselves as readers.

At home:

Praise effort and improvement rather than speed or level.

Recommended read:

Amazing Grace by Mary Hoffman
— a story about perseverance and believing in yourself.
