Friday 20th March

Class 1 PE

Monday 23rd March

Reports out

Easter Enrichment

Wednesday 25th March

Parent consultations

Friday 27th March

End of term service,

St Mary's Church, 1.30pm.

This will include an opportunity
for children and adults to
take Holy Communion (bread
and grape juice). This part of
the service will be treated with
the respect and sensitivity it
deserves. All are welcome to
come to the Lord's table.
Unblessed bread and juice will,
of course, be available.

Dear parents and carers,

We have a number of staff feeling unwell or have been, at times, absent from school this week. Please bear with us during this time as we manage where we place staff we have to ensure your child's safety and the best learning outcomes. Additionally, children are also suffering with a number off sick, or have chicken pox or impetigo.

It was a pleasure to accompany Class 3 on their visit to Hereford Cathedral via train. Even though I'd been there numerous times, I discovered where a life-size King Ethelbert's statue is in the building. There's always something new to learn. The children engaged politely with members of the public asking them questions about why they were visiting Hereford.

Have a great weekend – and if you are a mum, I hope you are treated well on Sunday.

Kind regards,

Raffaella

THE VALUE THIS MONTH IS

PEACE

Thank you to those children who
have spent time drawing or
painting or crafting a cross –
more please!

Toys

We kindly ask that all children do not bring toys to school. Our classrooms have limited space, and personal toys can easily become lost or broken, which often leads to unnecessary upset. Thank you for your support.

'The God who gives you peace
will be with you.'

Philippians 4:9

Loving God,

Thank you for mums and children
and for all the joy of family life.

Be with those who are grieving because
they have no mother;

Be close to those who are struggling
because they have no children;

Be near to those who are sad because
they are far apart from those they love.

Let your love be present in every home,
And help your church to have eyes to
see and ears to hear the needs of all

who come. Amen.

Dates for your diaries continued:

Monday 13th April
INSET Day
Tuesday 14th April
Summer Term begins
Wednesday 22nd April
No wrap around care – Staff training
Monday 11th May
Year 6 SATS week

8am-8.45am (daily) £3 a session
After-School Club:
3.15-5pm (Mon-Thu), 3.15-4.30 (Fri)
£7 a session
BOOKING IS ESSENTIAL and a
week in advance please.

OUR VISION

Pembridge is a school where our
creative teaching and learning is
of the highest quality and where
we encourage everyone to be
inspired through faith in God
and to live by Christian values so
that our whole community
flourishes and we reflect all that
is 'worthy of praise'.

We encourage you to share our learning at home.

	This week we have been learning about...	...and what to look forward to.
Nursery	This week, nursery have enjoyed ordering numbers in maths and practicing counting forward and backwards to 5. A big well done to Nursery for their contribution to the class worship today, we hope you all enjoyed it.	Next week, nursery children will be very excited to see how well our cress seeds grow! We will be continuing with our maths and expanding on our counting skills. Can your child remember how to count to five backwards at home?
Class 1 (Reception and Year 1)	Wow, what a busy week we have had in Class One! We had an amazing trip to The Judge's Lodging on Wednesday where the impeccable behaviour of the children was commented on by their staff. Well done Class One!   	Next week - In English we will be writing an advertisement for our pet. Please can you ensure that all items of clothing are clearly labelled.
Class 2 (Year 2 and Year 3)	Following our discovery of the different rainforest layers last week, we have been learning about the weather and climate in tropical rainforests. After researching weather in different locations, we used BBC weather to write weather forecasts in rainforest regions! Year 3 have concluded their maths unit on fractions. Talking about fractions in everyday life will help to develop understanding of what a fraction is. Year 2 have started their maths unit on mass and capacity. Can you measure liquids at home? What unit of measurement would you use?	We will be continuing to write our narratives set in the rainforest. Which words would you use to describe the rainforest? Could you use personification or similes to describe? Please make sure you're reading daily at home and practising number bonds to 10, 20 and 100 and times tables.
Class 3 (Year 4, Year 5 and Year 6)	Well done for all of those who participated in the Lucton cross-country event. 	Next week, we are looking forward to sharing our Class Worship with you all. Afterwards, we will be learning various stitching techniques with parents for our 'stay and play' session.

PLEASE REMEMBER

- For safety's sake, jewellery (necklaces, bracelets etc)
should not be worn to school. Stud earrings must be
removed by the child for PE or not worn on days when
it is PE.
- Don't forget your child needs a coat for damp weather
or a sunhat for when the sun shines!
- Grapes and cherry tomatoes need to be cut in quarters
lengthways, to avoid choking hazards.
- No popcorn for young children for similar reasons
- We are a NO NUT school – please check ingredients in
packed lunches.

CONGRATULATIONS

We enjoy hearing about achievements awarded outside
school – do share them with us.
We will include names here of children here who have been
awarded certificates in their classes.

Gold certificates: C1: Hollie, Bertie, C2: May, C3:
Iustin, Penny
Learning Ambassador: Bryn
Courtesy Cup: Olivia J

Part of the
National Year of Reading 2026

Rereading Strengthens Understanding

Children often revisit favourite
books to deepen comprehension
and fluency.

At home: Encourage your child to
reread a favourite story and
notice new details.

Recommended read: *Brown Bear,
Brown Bear, What Do You See?* by
Bill Martin Jr. & Eric Carle -
repetitive text builds familiarity
and confidence.
